

Have your say in Barking and Dagenham's Housing Strategy

Barking and Dagenham Council's Cabinet approved a new five year Housing Strategy (2026-2031). This sets out a bold plan to deliver more affordable homes, improve the quality of housing across the borough, tackle rough sleeping and homelessness, and support residents to live well in safe, secure neighbourhoods.

We're setting a number of resident panels and we need your help!

Come along and share your views, experiences, and ideas to help shape housing services and decisions.

To find out more about the resident panels and how you can take part, please scan the QR code below.

If you have any questions or would like to find out more, you can email us at housingstrategy@lbbd.gov.uk. You can also leave your name and contact details with staff at Barking Town Hall or your nearest community hub, and they will pass these on to us by email.
